

**FOR IMMEDIATE RELEASE**

## **Elwood Staffing Launches New Associate Website**

November 10, 2008 (Columbus, Indiana) - Elwood Staffing recently launched a new website for the convenience of new and current temporary associates at [www.elwoodjobs.com](http://www.elwoodjobs.com).

This new website is targeted to address the questions and concerns of current and prospective job applicants. It provides tools to assist an applicant with the job-hunting process: resume writing, application completion, choosing references, interview preparation, and negotiation tactics.

The website also provides tools for:

- Registered applicants to search job openings, apply for jobs, and submit resumes
- Current Elwood Staffing associates to review their paycheck summary and pay history details
- Candidates and associates to update their resumes, profiles and availability for work

In addition to the new [www.elwoodjobs.com](http://www.elwoodjobs.com) website, the original [www.elwoodstaffing.com](http://www.elwoodstaffing.com) website has been redesigned and is much more than a fresh new look! We've expanded the content to help current and prospective client companies quickly find the information they want and need. It features a video allowing the audience to hear directly from our owners regarding the company's values, mission and philosophy. Additionally, it provides information to answer our clients' most common questions. It also has new interactive features to allow current clients' authorized representatives to:

- Add new job opportunities, with staff receiving real-time notifications for follow-up
- See active job openings, their status, details, and related activities.
- View a summary of invoices and details of a particular invoice

Improved navigation on both websites is fast and easy, and linking between the two takes just one click. New features will continue to be added, providing an enhanced experience for all website visitors.
